DSP Presents: *Kathy Mattea*

Shea Theater Arts Center, 8-10pm, \$40-45

Hailed by The Washington Post as 'one of Nashville's finest song interpreters,' Kathy Mattea has enjoyed the kind of success many artists only dream of: two GRAMMY wins, four CMA Awards, four #1 country singles, and five gold albums (plus a platinum collection of her greatest hits). The dream almost ended, though, when Mattea entered her 50s and began to find her voice changing. What followed was a three-year journey through life challenges, soul-searching, and professional uncertainty, a trying time of personal anguish that threatened to silence her permanently, but instead brought her unexpected joy.

*David Bromberg Quintet Featuring Jordan Tice*

Shea Theater Arts Center, 8-10pm, \$45

For Americana godfather David Bromberg, it all began with the blues.

His incredible journey spans five-and-a-half decades, and includes – but is not limited to – adventures with Bob Dylan, George Harrison, Jerry Garcia, and music and life lessons from seminal blues guitarist Reverend Gary Davis, who claimed the young Bromberg as a son. A musician's musician, Bromberg's mastery of several stringed instruments (guitar, fiddle, Dobro, mandolin), and multiple styles is legendary, leading Dr. John to declare him an American icon. In producing John Hartford's hugely influential Aereo-Plain LP, Bromberg even co-invented a genre: Newgrass. TIX \$45
