The Shea Presents: Upstate

Special guests Mamma's Marmalade

The Shea Theater, 8pm, \$20/\$27

Upstate is a band guided by clear ambitions: to write honest songs, play rich music, and "leave it all" on the stage and in the studio. Mary, Harry, Melanie, and Dylan draw on varied influences, traditions, and experiences. The result is art that's both fresh and firmly rooted in what's come before. The band weaves traces of Americana, Jazz, Gospel, and R&B with their eyes towards music that tells the truth above all. Throughout the past decade, Upstate has honed their sound and stagecraft and shared stages with many of their major influences, including The Wood Brothers and Lake Street Dive. They've built a reputation for eclectic instrumentation, musicianship, and powerfully dense vocal harmony.
