What's a Cultural District?

The MCC Cultural Districts Initiative was launched in April 2011. Annual funding is directed to specific areas in 54 Massachusetts downtowns with the goal to:

- Attract artists and cultural enterprises;
- Foster cultural development;
- Encourage business and job development;
- Establish the district as a destination, and
- Enhance quality of life.

The Turners Falls Cultural District is one of only three in Franklin County.

Turners Falls Cultural District

The Turners Falls Cultural District was designated in May, 2017.

The boundaries of the Cultural District extend along Avenue A from the Great Falls Discovery Center to the Carnegie Library and North of Third St. to the Connecticut River

Cultural District Funding

The Turners Falls Cultural District has received \$15,000 this year to support the creative economy downtown. Funding can be spent on **events, artist support, advertising, public art and other incentives** that increase business and enhance quality of life.

Cultural District Decision Making

RiverCulture currently facilitates this grant. Decisions are made relative to:

Input collect at events and through social media, surveys, meetings and in conjunction with the Steering Committee;

Opportunities for funding, partnership, in-kind offers, and other leveraging tools;

Past success and fumbles;

Capacity.

SUMMER PARK SERIES: Are you in favor of contributing \$9000 from the Turners Falls Cultural District Grant funds to support live music, art and culture in the Turners Falls Cultural District. This would be a partnership with Montague Parks and Recreation, Montague Public Libraries and producers like Musica Franklin, The Shea, the Great Falls Discovery Center, Nolumbeka Project, The Montague Cultural Council, Antenna Cloud Farm to name a few.

FIRST FRIDAYS: Are you in favor of putting aside \$2400 from the Cultural District Grant to fund performances, exhibitions and other in-store/restaurant activities that bring folks to downtown Turners Falls the First Friday of every month? Maybe performances at Spinner Park in the early evening?

78 responses

Looking across the Valley, Friday and Saturday evenings are competitive time slots to book live music. What other days/ times would you be interested in musical events at Peskeompskut Park? Check all that appeal to you!

78 responses

How favorably do you rate the idea of reserving/ advertising the Peskeompskut bandshell for local bands on Sunday afternoons throughout the summer. These grass roots events would be planned by the performers but receive RiverCulture facilitation with the Town, assistance with advertising, possibly a modest stipend, access to electricity and a small PA equipment, and the porta potty key. They would be marketed together as an ongoing Sunday series.

PUBLIC ART QUESTION 2: Last year we were considering whether or not to situate public art at Peskeompskut Park. Probably a sculpture. Probably at the current site of the solar trash cans. There would be a community engagement process associated with this project.

80 responses
Are you in favor of this idea?

SHEA MURAL PROJECT: Have you heard about the Shea Theater Mural Project? Are interested in attending an in-person community engagement session facilitated by Common Wealth Murals?

80 responses

SIGNAGE IMPROVEMENT: Do you support the idea of contributing \$1000 from the 2024 Turners Falls Cultural District grant to reimburse downtown business owners up to \$250 for the design, construction or installation of new business signage.

79 responses

TINY ART GALLERIES: A business owner (OK, it's Nik) brought up the idea of installing small outdoor boxes around the Cultural District for rotating exhibits of tiny works of visual art- like little free libraries but for art. Maybe the District could build and install a few every year until we had a bunch. Are you interested in the creation, installation or curating tiny galleries? This would be a group project. Volunteers needed.

Myrtle St Klezmer in the park

The soap box races

I like a variety of music... all except for the loud, dissonant, and unrecognizable .

Can't remember

Concerts, food trucks, arts and crafts events, maybe an adults specific paint and sip kind of event?

I wish the Shea would do more concerts in unity park

Klezmer concerts

Concerts in the half shell and events on the river

Bands and poetry

Although nit.last summer, it'd be cool if WHAI would band with RIVERCULTURE & do another concert over @ Unity park, although to be honest, Peskeompskut doesn't get a lot either & would really like to see more stuff go on there.

Antenna Cloud Farm

Montague community band

I enjoyed the craft show type event in unity park that had part of the street closed early in the season (unsure what it was called), the Native American festival was interesting, I loved Christmas in July. I like the Christmas craft pop up at the brick house too. One thing to note is that it would be nice to have more on Sunday during the day- most things seemed to fall on Saturdays last year unless there was a reason to reschedule due to rain so, the times that there was a Sunday event we were very happy about as half of our household has to work on Saturdays.

Mermaid wedding, kids concert, other peskeompskut music events

Unity fest, the European car show, too many others to remember

I wasn't able to attend

Concerts in the park

The flute group!

Music Walk and Pocumtuck Fest (and all Discovery Center/Nolumbeka events)

Do It Now and the Dave Bulley Band

All of them!

I'm new to town, so I don't know what worked last year.

Antenna Cloud events

Short walks

Antenna cloud walk

The events put on at the Discovery Center are excellent, love the arts series they do.

I was kinda sad about fall fest being rained out

Do it now

Do It Now in the half shell

Do It Now concert; Homelands Festival

Alas, I just started working at the Brick House that summer, so I did not get a chance to see any. But I plan to attend this season!

Do it Now with Paul Richmond and John Sheldon

Raw impressions & Homebody in Peske Park, ACF Music walk

Sam Amidon at Antenna Cloud Farm. Just a magic event

It wasn't last year but, the concert on the lawn at Unity park (partnership with 93.9 the River and the Shea I think) Rubblebucket. Any outdoor performances at Unity Park would be great.

Music walk, outdoor movies

Music in pesky park, pocumtuck homelands fest

I thought the Antenna Cloud Farm music walk was cool. I enjoy the free movies at the Shea. I wish more folks were interested in the Soapbox Derby -- I like to watch, but I'm not interested in making a vehicle. I'm sure I'm forgetting things -- sorry!

Looking at Unity park outdoor concert events.

WHAT WERE YOUR
FAVORITE EVENTS

Toy Story

throw back movies because you never see them on a big screen

Jaws and Jurassic Park

wallace and Grommet, Soul, Inside Out

I'm pop culture illiterate

Field of Dreams

Big

The Sandlot Overboard Dirty Dancing Field of Dreams Goonies Jumanji Moana

Dirty Dancing, Grease

Chitty Chitty bang bang, Mary poppins, sound of music...

Back to the future; grease; mary poppins; shrek; sound of music

West Side Story. Some Like It Hot. Grease

How about a different John Hughes film each week!

This is possibly hard to get, but the Guy Williams (from Zorro & Lost In Soace TV series)version of Captain Sindbad. This's now rated PG -13 but may not be suitable for children, however, The Legend Of Hell House with Roddy MacDowell. If it can't be done there, how about a "special Halloween screening" over @ The Shea?)

Anything Studio ghibli

Ghostbusters, the muppets movie

Goonies

Bubble Boy

Cloudy with a chance of meatballs,

Top recommendations are Ratatouille and Over the Moon (this animated movie is amazing, great for all ages inc. adults, beautifully made, culturally rich)

OUTDOOR MOVIE

Godzilla

Spaceballs

My neighbor totoro, Mrs. Doubtfire, Hook

Bill and Ted's Excellent Adventure

Bugsy Malone

Babe

Harry Potter

Mama mia!

Spirit

Good Bad Ugly, Star Trek, something with great theme song

Sleepless in Seattle, Downton Abby, comedies from the 1980s

I defer to townies (not being one myself), whatever the kids think is cool, that also has the interest of families and adults. Especially those films that aren't saturating the streaming market.

The Breakfast Club, Empire Records, Panyo, My Neighbor Totoro,

Ponyo, Labrynith,....i don't know! I'm bad at remembering things without prompts!

Maybe something sing along-ish? Mary Poppins?

Dirty Dancing

Jumanji (all 3); Big Hero 6, Any Studio Ghibli movie

My Neighbor Totoro

Goonies, (Teen Witch), Teen Wolf

Yes to Pee Wee. Also, maybe: Spaceballs, Napoleon Dynamite, Hook, Three Amigos, School of Rock. Or, if you wanted to try a non-humor movie: Eagle Huntress, My Octopus Teacher.

Southern. Desperately Seeking Susan.

Are you signed up for the weekly eve

more murals would be great--side of Cutlery Block, and front of Survival Center

I am SO appreciative of ALL you do to enhance and enrich our community.

I'd love to **see a sculpture Park in TF, rather than one sculpture near the solar garbage cans**. Also, I'm interested to know about possibilities of painting a **mural** on The Franklin County Survival Center building, or at least repainting what's already there, especially the sign over the food pantry door. Thanks for all of your hard work Suzanne

Summer **block party!!!**

LOVE all of these ideas and pretty much any others that could contribute to building up our small and mighty community!

Thank you! **Thank you for asking for feedback!** Love the idea of more **concerts**, maybe food trucks at the concerts if possible.

Events at the Shea, getting support, a valuable resource and many groups could use the Shea with a little help in funding

Food truck Fridays? on the site of the old cumbies?

I keep hoping for **more volunteer opportunities to happen** so I can help. I did sign up for Falls Fest but that was canceled/ postponed without much talk about what might happen for next year.

Bring back cider days and 86 the trashy "great falls fest", **organize events that support downtown business** instead of creating competition. Treat people nicer

I love it here in Turners Falls. See my earlier note about Sundays. I am excited to continue to live here this coming year as I was new to town a year ago so, having spent an entire year here now I feel orientated and hope to continue to lean into all that is happening around town. Would really love to see the **first Friday become MORE- perhaps some sort of street closure** during the warmer months of part of 3rd street or something to have perhaps music or some sort of vendors.

Thank you thank you!!!!

TF is such a classic old town, I've often thought it would a great site for a **picture book festival** of old classics. You could fill empty (and active) storefronts with children's books themes, maybe have a contest for artists, maybe even have something like a "Goodnight Moon Room" to visit or or a Mike Mulligan steam shovel behind the town hall, or a Polar Express railroad car.

COMMENTS

Would love to **attract more teen based music groups** and have maybe brick house teens put on some sort of event/Rock show/festival!
good work!

Supports for Indigenous artists, however that works for them
thanks for doing a great job!

Bring back the **Word Festival!**

I think River Culture is a significant 'value added' for the town and makes a huge difference in how the community is perceived by non-townies. Happy to look for **ways that the Brick House** can help enhance the cultural life of Turner's Falls and Montague.

Food trucks improve any event! Thank you for your work!

Thanks for your great work! I think the **tiny art galleries** are a great idea! I would likely be a visitor, just not a creator or curator.

I miss the summer food truck in Unity Park.

We think you're doing a great job bringing fun and interesting events downtown. Keep it up!!

Re: tiny art galleries: we've got a little free library in Lake Pleasant that we'd be willing to try as a tiny art gallery; not sure how it would work and how we'd acquire mini art.... Re: Shea mural: I love it when towns have murals, and I could probably contribute to a once-a-month meeting, depending on the timing (Mondays are great for me). Thank you, Suzanne!

Unity park is a wide open area that is just waiting to be used as an ongoing music venue.

Permanent stage, covering would be a welcome addition.

I would like to see River Culture partner with others in town to embark on a **mapping project of indigenous people**. This would, I'm sure, include all 5 villages and maybe be appropriate for the money coming into River Culture. I would like to see identifiable signs go up at sports around town that are mapped. Please see: <https://aboriginal-map.melbourne.vic.gov.au/>
